Las Positas College To Host Virtual Information Sessions for Parents and Families of Tri-Valley High School Seniors

(Livermore, CA) - Las Positas College (LPC) President Dyrell Foster will be hosting two virtual information sessions for Tri-Valley high school seniors and their parents who want to learn about all of the exciting possibilities offered at the College.

Attendees have a virtual information session with Dr. Foster and learn about why LPC is the best choice after high school for transfer preparation and career education.

On April 15 and April 21, Dr. Foster will be offering information and answering questions about LPC via Zoom. All sessions will be held from 6 - 7 p.m.

These sessions will cover the cost of attendance and the available financial aid and scholarships; academic programs offered at LPC; student life and testimonials from current LPC students; current plans for summer and fall 2021; and the enrollment process.

LPC President Dr. Dyrell Foster said the information nights are designed to showcase the college and its top-tier status based on its affordability, academic excellence, degree completion and the outstanding guaranteed transfer programs that the college has established with many colleges within the University of California and California State University systems.

"What makes Las Positas College special is the caring and dedicated faculty, staff, and administrators who are fully committed to supporting students in achieving their educational goals. Students leave our college well prepared and equipped to transfer to a four-year college or university, or to enter the workforce in their chosen career field," Foster said. "I encourage parents, families, and graduating seniors to learn about the outstanding educational opportunities and resources that Las Positas College has made available to all new students from the Tri-Valley who enroll at LPC for the Fall 2021 semester."

About Las Positas College

Las Positas College currently enrolls 8,000 students and offers curriculum for students seeking transfer to a four-year college or university, career preparation, or basic skills education. The College provides university transfer classes, retraining classes for those in need of employment or career advancement, a first-time educational opportunity for many adults, enrichment classes for those seeking a broader perspective, and career and technical training for those entering the technical and paraprofessional workforce.

Las Positas College is a learning-centered institution focused on excellence and student success. It is fully committed to supporting Tri-Valley residents in their quest for education and advancement. Las Positas College faculty and staff are distinguished by their energy, creativity, and commitment to making a difference in the lives of the students they serve and the future of the Tri-Valley region.
