Make Las Positas College Your First Choice This Fall

(Livermore, CA) - Get ahead at Las Positas College (LPC) this fall. With fall courses beginning August 20, LPC offers a learning-centered experience focused on excellence and student success with small classes, lab sizes, new facilities, outstanding curriculum, flexible schedules, plenty of student services and a high transfer rate to California State Universities, University of California schools and other four-year institutions.

Students can follow their heart's desire by enrolling in programs ranging in everything from [Theater Arts](#) to [Paramedic](#). Accredited by the Commission on Accreditation of Allied Health Education Programs in 2017, LPC's Paramedic program prepares students for careers as first responders. The program emphasizes advanced life support (ALS) practices, with didactic, clinical and field internship components. Upon program completion, graduates will have the skills and coursework needed to pass the California Paramedic Licensing examination.

With 24 occupational associate degrees, 17 transfer associate degrees and 44 certificate programs, LPC offers plenty of options for career preparation, personal enrichment or transfer. Students can also take advantage of LPC's [Transfer Admission Guarantee \(TAG\)](#), which provides guaranteed admission to six University of California Schools (Davis, Irvine, Merced, Riverside, Santa Barbara and Santa Cruz) to students who satisfactorily complete all UC and campus-specific transfer admission requirements.

This fall, LPC is also unveiling its Classroom Building 1000. Paid for through Measure B*, a \$498 million bond approved by 59 percent of voters in 2004, Classroom Building 1000 is a 41,000-square-foot academic building with 12 classrooms, six computer labs, an anthropology lab and a large lecture hall. The building, located at the front of campus, replaces LPC's buildings 100, 200 and 300.

Register today at www.laspositascollege.edu. Financial aid is available to qualified students. Visit www.laspositascollege.edu/financialaid/ to learn more.

**Measure B funds have been an important part of facility improvements for the Las Positas Chabot Community College District (LPCCCD) and has funded 44 targeted improvement projects at Chabot College, 33 at LPC and 10 District-wide projects.*

About Las Positas College

Las Positas College currently enrolls 8,000 students and offers curriculum for students seeking transfer to a four-year college or university, career preparation, or basic skills education. The College provides university transfer classes, retraining classes for those in need of employment or career advancement, a first-time educational opportunity for many adults, enrichment classes for those seeking a broader perspective, and career and technical training for those entering the technical and paraprofessional workforce.

Las Positas College, 3000 Campus Hill Drive, Livermore, CA 94551
