### **Save Time by Securing Enrollment to Chabot College and Las Positas College Starting this October**

(Dublin, CA) - To align itself with the start and opening date of the admission application filing period for California State University (CSU), Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA), Chabot and Las Positas Colleges will launch its online application for spring, summer, and fall 2019 terms on October 1.

Previously, students would have to wait until January or February, before applying for admission for any term within the same calendar year. Now students can apply for both admission and financial aid early and secure their ability to enroll next year.

"The process of applying for admission and financial aid are steps one and two in the district's six steps to student success," said Chabot-Las Positas Community College District Interim Chancellor Thomas Fallo. "By allowing students to apply for admission and financial aid at the same time, we are streamlining the way in which students are accepted into Chabot College and Las Positas College."

Additionally, prospective students are also encouraged to take the assessment test, complete the online orientation, meet with a counselor to create a student education plan, and register for classes.

Chabot College and Las Positas College provide students with the same level of quality education received at four-year universities at a fraction of the cost. At just \$46 per unit, students can choose any of the 144 associate degrees and 124 certificate programs offered between both colleges, receive guaranteed transfer admission to

four-year universities and upgrade their job skills to remain competitive in the workforce.
